Description: There's a new friend in the garden -- a big, shaggy dog with the mysterious name of Mr. E! The dog loves to play, so when he suddenly disappears, the WellieWishers are worried. They search high and low and find paw prints, but no dog. What has happened to Mr. E? The WellieWishers are about to get the surprise of their lives!...

Review: We're in love with all the Wellie Wishers stories. Such a cute series with great illustration and simple stories that are easy to follow. Even a 2nd grader can read those to their friends which is amazing to me. None of these little books disappoint and we love the little tips and tricks in the back of each book in true American Girl advice fashion....
